Dear Ms Connolly,

Thank you for your letter of 28 July 2025 regarding a response to a question raised during the Youth portfolio 2025-26 Budget Estimates hearing on 5 June 2025.

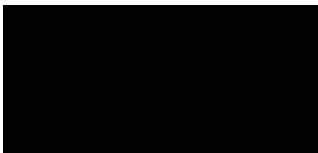

The Victorian Government committed to develop YouthNav, a new skills-for-life toolkit in collaboration with young people under *Our promise, Your future: Victoria's youth strategy 2022-2027*, published in August 2022. The Government also delivered an upgrade and refresh of Youth Central, Victoria's existing online one-stop shop for young people.

YouthNav was co-designed with Victorian young people and provides interactive guidance and practical skills for young people as they navigate their future. YouthNav covers important topics to support young people of all ages with life challenges and decisions like managing money, finding a job or moving out of home.

Since YouthNav's launch and Youth Central's refresh in late August 2024, the sites have received a total of 739,000 views, demonstrating young Victorians' interest in accessing helpful and reliable information in a format that works for them.

I trust this information is of assistance to you and the Public Accounts and Estimates Committee. Thank you again for taking the time to write to me about this matter.

Yours sincerely

The Hon Natalie Suleyman MP
Minister for Youth
